Sir,

With reference to your letter No.S.D.1724 dated 17th September 1944 regarding the remuneration to be paid to village patels for work connected with remittances from Government Foodgrains Sales Depot I have the honour to state that the continuous process of substitution of Government Depots viz., depots run by Village Panchayats, Co-operative Societies and other local bodies as mentioned in your letter will gradually diminish the sum total of payments to be made by Government to patels, but in respect of villages where Government Sales Depots are being continued for various reasons, the payment to patels has to continue. The proposal is only in respect of cases of patels who are entrusted with the work of taking remittances from Government Depots and the payment of the remuneration at Rs.5/- per month as sanctioned in the Order of October 1943 may be continued.

I have the honour to be,
Sir,
Your most obedient servant,
